**RECOMMENDATION FOR
'CLOSE PROTECTION PERSONNEL'**

I am pleased to write this letter of reference for the following **Close Protection Personnel** from **Maxgrid Securicor (India) Private Limited** with whom my organization has been professionally associated since **December 2012**.

1. **Shaun Dominic Assey.**
2. **Balbir Singh.**
3. **Yogeesha Pooviah.**
4. **Kirubakaran. D.**

The above mentioned individuals, have on multiple occasions, proved their professional capabilities by responding to a variety of escalations from multiple different levels of threats, be it individuals or organized parties, targeted at my person, our facilities and our personnel.

They have responded with a unique approach that is first and foremost legal, while also being effective and highly proactive, mitigating the possibility of future escalation of threats.

Their unconventional approach, ensured that we always had the right information and intelligence, helping us to formulate and execute, a successful counter against any tactic employed by a party(s) who did not have our best interests at heart.

I would not hesitate to recommend **Maxgrid Securicor (India) Private Limited**, or the above personnel, to any individual or organization, keen on acquiring a service oriented, discrete and highly effective approach to **Close Protection Operations**, against any level of threat.

**RASHMI N. THAKERIA
MANAGING DIRECTOR**
