03 June 2024

Dear Mr. Shaun,

On behalf of NPS Sadashivanagar I would like to take this opportunity to extend our heartfelt gratitude.

We thank you for conducting the workshop. It dispelled numerous myths and provided hands-on guidance on detonators, wires, grenades, crude bombs, and various explosives.

Your insightful, detailed discussions were particularly appreciated. The engaging and informative presentation effectively simplified complex topics.

The information on shock waves and safety measures in dangerous situations was invaluable. Our team greatly benefited from the knowledge and skill-set imparted in the workshop.

Once again, we appreciate your expertise and guidance. Your contribution has been immensely valuable.

Warm Regards,
